

CONTINGENCY WORKERS COMPENSATION ASSESSMENTS & CLAIMS REVIEW
AGREEMENT.

BETWEEN: Case Management Canada Inc. & _____.

Case Management Canada Inc. will do the following:
Conduct a complete reivew of the above-named company's workers
compensation assessments and claims information and will attempt
to reduce their WCB assessment premiums by reducing their claims
and other assessment costs.

Renumeration:

The above-named company agrees to reimburse Case Management Canada
Inc. in the sum of 30% of past, present, and future WCB assessment
premium savings. This is contingent upon Case Management Canada's
efforts having resulted in the savings. The fee for future savings
will be limited to assessment savings sustained in the one (1) year
period following the current WCB assessment year. If Case Management
Canada's review results in no net assessment savings, then no fees
will be charged for this review. Reimbursement of any fees payable
will become due in full upon the date the Workers Compensation Board
confirms in writing the assessment savings effected.

Signed this ____ day of _____, ____ at _____, in
the province of _____, Canada.
